**MEMORANDUM FOR: Director of Operations**

**SUBJECT : Intelligence and PI Staff**

I discussed the above subject with Mr. Arthur Lundahl on 17 January 1956. It appears that he will be compelled immediately to recall [ ] from his present detail to this Project, since [ ] services are needed full time on the preparations for an expanded Photo Interpretation unit. [ ] will continue to deal with us on behalf of Mr. Lundahl on the considerable business that will have to be transacted between Mr. Lundahl's office and our own Project organization. It was agreed that [ ] and Messrs. [ ] will remain on detail to the Project. They will of course be part of the Operations Division and be under the direction of the Project Director of Operations.
